My Best Friend

> <meta name="Generator"> You used to be evil,

My Best Friend

You used to be evil,

Though I don't know why,

When I think of what Myotismon

Has done to you,

I could just cry.

You are my best friend,

And forever, you will be,

Through thick and thin,

I know you'll be with me.

When I think of what you went through,

With out me by your side,

All the things you encountered that were cruel,

I wish I 'd been with you.

And even when I go back

To my world and your still here
You know that in my heart,
That I'll still hold you dear.
